EREMURUS

(Foxtail Lily)

You will be thrilled by the beauty of these rare and spectacular perennials. Their flower stalks grow from 4 to 12 feet tall but are so sturdy they need no staking. The plants are easily grown and are very hardy IF the soil is well drained. A cold ground during the winter is preferable. **ORDER EARLY.** Many varieties will be sold out by the end of June. This year roots will be shipped from September 15th to November 15th, and early orders will be filled first—in the same sequence as they were received.

**THIS LIST CANCELS ALL PREVIOUS QUOTATIONS AND PRICES
GIVEN HEREIN ARE SUBJECT TO CHANGE WITHOUT NOTICE.**

SALE SPECIALS and other orders totaling \$5.00 or more will be shipped postpaid. On smaller orders, please add 75c per postage.
